Dear Members,

On behalf of the APS South East Region Committee I would like to wish you all a safe and joyous Christmas, wherever you may be.

I think we will all be wishing for an easier 2022.

We will be meeting again on February 5th, at the ERBG for our Annual General Meeting, and we are looking forward to a great year. I hope the summer season is a good one and that our gardens, bush and community continue to sustain us.

Here's to simple pleasures.

**Season's greetings,
Di and the Committee**

**Christmas Bells, *Blandfordia nobilis*,
Little Forest Plateau**

**Christmas Bush, *Ceratopetalum gummiferum*,
with *Leptospermum morrisonii***

Native plants of the Ulladulla Region

Nick De Jong

I would like to draw to your attention a new book:

'Native Plants of the Ulladulla Region' 'Their ecology and the walks where you will see them'
This book, with 620 plant species and 22 walks, builds extensively on Nick's previous book 'Heathlands'. It includes native plants one might see on bush walks from Snapper Point in the south to Yatte Yattah Rainforest in the north and west to Didthul and Little Forest Plateau.

'Native Plants of the Ulladulla Region' is only available from Harbour bookstore, in Rowen's Arcade, 93 Princes Highway Ulladulla. Ph. 02 4454 4044

Nick de Jong is widely recognised and respected as an authority on the environment of the Ulladulla and nearby hinterland.

Although a bit late to buy as a Christmas present, this new work is sure to add value to members wanders in the local bushland. One can never have too many reference books.
